VEGAN POTLUCK MEAL

Saturday, December 21, 1:00 PM
Florence Township Community Center
69 Main Street, Roebling, NJ 08554

Join NJveg and the Florence Township Recreation Committee for a vegan potluck! Try a variety of plant-based foods and collect a few new recipes.

Each individual in your party brings a plant-based (no meat, fish, dairy, eggs, gelatin, or honey) dish to share. Please bring at least as much as you are going to eat along with the recipe or a list of ingredients. Water, coffee, and tea will be provided. To promote recycling, bring your own plate, cup, and utensils if possible (extra place settings will be available). For safety reasons, children under 12 must be under parental supervision at all times. Please make sure to check in when you arrive.

NJveg is an all-volunteer non-profit, 501(c)(3) corporation in New Jersey. Their mission:

- **Advocacy:** educating the public on the benefits of a plant-based diet via free literature, speakers, and providing support to those in transition
- **Social:** providing opportunities to volunteer, share meals, and join in other activities
