

On with our holiday series... next up is Valentine's Day!! Love is in the air and on your plate ;) An observation I have made is that food is a prominent part of most 'love day' gifts, think chocolate, candy, home-made dinners! Below, I have curated a list of these sweet treats in order to start planning on the special day. Today, I'll cover festive chocolates and candy that can be enjoyed, while next week, I'll do some digging and find delicious home-made recipes to make for your loved ones.
