Cheesesteak stromboli - 9/10 I loved the flavor the peppers and onions added. Dough was easy to chew and the vegan steak was yummy.

Pepperoni roll - 4/10 I did not really like this roll as the pepperoni was very thick, had a gummy texture, and gave me heart burn quickly.

Vodka sauce with fried chick'n, garlic knot crust pizza pie - 9/10 I also loved this pizza pie. The fried chick'n was delicious and crispy. The garlic knot crust was very enjoyable and made the pie honestly! The vodka sauce had great flavor and was not too acidic at all. I would definitely order this again.

Other menu items I have tried:

Mac and cheese garlic knot crust pizza

Buffalo wings garlic knot crust pizza
